SIGNATURE COCKTAILS

135:-

In this section you'll find our own takes, twists and turns on favourites we've stumbled across around the world. We'll do our best to make sure we have something for everyone, but if you can't find what you're looking for, don't hesitate to ask. Maybe we can create your new favourite cocktail together!

Naked On A Balcony

I know naked. Some of my best friends are naked. And you, my friend, can also be naked. Naked Grouse meets Cranberry and Hazelnuts. A fruity, nutty, refreshing drink, enjoyed in a highball glass.

Tiki-La

This tiki inspired drink will get your tastebuds tingling. A touch of almond makes this fluffy margarita a true peoples favorite.

In Square Circle

Raspberries growing in Tabasco fields. What's not to like? Fruity, fluffy and a bit spicy. This cocktail is inspired by the Clover Club, Early 20th C, Philadelphia.

Solo Safari

Refreshing, sparkling, tea-like concussion with an energy- and vitamin boost of celery and lemongrass.

Machete Julep

Boozy, herby and a bit smokey. Inspired by the Kentucky Derby favorite Mint Julep. Served superchilled in a cup.

Kishu Negroni

Asian twist of the Negroni. Not quite as bitter, but just as perfect. Served with a big ice cube for an authentic feel.

On a beach of Hawaii you'll find me sippin and slippin. But don't worry, I won't be drippin or trippin. It's tropical fruits and a touch of almond. If you know, you know.

Knock Knock
